Qty Total

Slicers/Heirlooms				
Beefsteak	02201	Open-pollinated/heirloom; an excellent large-fruited slicer with a rich, meaty, and juicy flavor.	\$4.00	
Big Beef	02208	Hybrid. Old-fashioned, rich flavor. Large smooth, globe-shaped. Disease resistant.	\$4.00	
Brandywine	02212	Heirloom, Organic, Best-tasting! Large fruit, often over 1 lb. Deep pink skin and smooth red flesh.	\$4.00	
Brandywine Yellow	02206	Heirloom, organic; an orange old-timer with a sweet delicious flavor similar to the Brandywine; fruits are large, and slightly ribbed.	\$4.00	
German Johnson	02210	Heirloom, Organic. Large, pink beefsteak type; great slicer.	\$4.00	
Striped German	02214	Heirloom, Organic. Bicolor red and yellow fruits, meaty w/few seeds; complex, fruity flavor and smooth texture, look beautiful sliced.		
Compact/Container				
Better Bush	02216	Hybrid; 48" height with very little need for staking; produces big 4" fruits that are sweet and tasty.	\$4.00	
Sweetie Red Cherry	02215	Open-pollinated. Produces heavy clusters of super-sweet cherry tomatoes. Polific plants can be grown on a panel trellis but also make a great patio plant and can even be planted in a hanging pot and let them dangle towards the ground for easy harvesting.	\$4.00	

Tomatoes:

Qty Total

Cherry/Grape				
Chocolate Cherry 02228	Heirloom, Organic. Distinctive port-wine colored flesh. Long keepers once picked. Exceptional taste.	\$4.00		
Indigo Cherry Drops 02211	Hybrid. Uniquely colored, matures to dark purple with brick-red bottom; high antioxidants cause the blue pigment.	\$4.00		
Matt's Wild Cherry 02219	Heirloom; Deep red with full flavor and high sugar content. Fresh for eating or great in salsa; seeds originated from Mexico, where it grows wild.	\$4.00		
Sun Gold 02220	Hybrid. Extra-sweet, bright tangerine-orange cherry. Vigorous plants yield early and throughout the season.	\$4.00		
Sunrise Bumblebee 02287	Hybrid; Excellent flavor, sweet and tangy with a gorgeous combination of yellows and reds, inside and out.	\$4.00		
Italian				
Amish Paste 02207	Heirloom; a long-time favorite. Large, meaty plum-shaped sauce tomato with excellent flavor; good in salads and great for processing.	\$4.00		
San Marzano 02202	Heirloom. Standard variety in Italy for all fresh and cooked tomato sauces. Tall vines produce hearty clusters of firm, meaty fruits.	\$4.00		

Eggplant:

Black Beauty 02224	Traditional, Black/Purple Large Fruits. Plants are strong, high yielding.			
Turkish Delight 02203	Hybrid; easy to grow and a wonder in the kitchen with an elongated shape and minimal seeds for quick cooking and rich flavor; prolific yields of highly-uniform, straight fruit			

Peppers:

Qty Total

California Wonder - Green Bell 02218	Heirloom. Thick-walled, tender, flavorful. Good for stuffing.	\$4.00		
Glow- Orange Bell 02222 (only 1 left!)	Bright orange, easy-to-grow pepper. Beautiful, thick-walled mini bells. Deliciously sweet and fruity. 2–3 lobed, tapered fruits are 4–5" long. Medium-size plants yield well.	\$4.00		
Hot Rod Serrano 02217	Traditional serrano with avg 3" fruits. Long harvest period. Produces dark green fruits, but may ripen to red and use as chipotles.	\$4.00		
Jalapeno 02244	Hybrid; smooth, dark-green 4" fruits; resistant to cracking; high yield potential.	\$4.00		
Lemon Drop 02224	Heirloom; Peruvian hot pepper with a citrus tang. When mature, its color becomes golden-yellow, and the flavor becomes fruity, with some people comparing it to fresh lemongrass. This chili variety is ideal for spicy salsas, hot sauces, and dishes based on chicken or fish, often used as a seasoning for various main meals and snacks.	\$4.00		
Mulato Isleño 02223	Beautiful, thick-walled mini bells. Deliciously sweet and fruity. 2–3 lobed, tapered fruits are 4–5" long. Medium-size plants yield well.	\$4.00		
Red - Bell 02246	Hybrid. Olympus provides Large bells on medium-sized plants with good leaf cover. High yield, uniform fruits.	\$4.00		
Red Ember Cayenne (only 2 left) 02229	Hybrid. High yielding ristra type. For stringing and hanging in large clusters, quick drying. Long fruits on big productive plants, sweet-hot taste.	\$4.00		
Sweet Banana- 02226	Mild yellow peppers with large pointed fruits. Ripen to brilliant red. A favorite for pickling	\$4.00		

Herbs:

Basil - Genovese (only 1 left!) 02230	Annual. Large Leaf Classic Italian Variety	\$4.00		
Basil - Compact 02231	Annual. Large Leaf Classic for Container Planting.	\$4.00		
Basil - Tulsi "Holy" 02232	Annual. Organic Compact Plants. Can be consumed raw or cooked and is used in salads, as flavoring, or is made into tea; Tulsi is widely used in Ayurvedic and folk medicine.			
Parsley - Flat 02234	Annual. Italian Flat Variety	\$4.00		
Parsley - Curly 02238	Annual. Traditional curly ends, hearty.	\$4.00
